

World Mental Health Day Early-Mid Career Researchers' Seminar

Innovation and Transformation Fund 2018

The National Suicide Research Foundation in collaboration with University College Cork, AIT SynthSCS Project (HEA Innovation and Transformation Fund 2018), the Health Service Executive National Office for Suicide Prevention and Ulster University, is hosting a Seminar for Early Career Researchers who are working in the area of Suicide, Self-Harm and Mental Health. This seminar is open to all.

When: Thursday October 10th 2019

Time: 10.30am - 4.30pm

Where: Nano Nagle Place, Cork City

The seminar programme will have three parts:

- Morning: Presentations by Early and Mid-Career Researchers
- Afternoon: Masterclasses presented by experts in mental health, suicide prevention, occupational health and clinical trials.
- Afternoon: Launch of 2018 National Self-Harm Registry Ireland Annual Report and the World Health Organisation resource for filmmakers and others working in stage and screen.

Masterclasses will include;

- Mental health promotion and suicide prevention in occupational settings
- Mental health among the student population
- Randomised control trials – benefits and challenges for mental health research
- Suicide and self-harm surveillance – from local to global
- Grant writing – do's and don'ts

We invite submission of Abstracts for oral and/or poster presentation from:

- Researchers, undertaking or post-Masters and/or currently undertaking a PhD
- Post-Doctoral Researchers
- Registrars
- Trainee Psychologists

*Prizes will be awarded on the day for Best Oral and Poster Presentations

The deadline for submission of abstracts is **Wednesday 11th September 2019 at 6.00pm**
